The report is segmented into 4 columns, 1 for each type of assessment : Science, Math, ELA, & ACCESS for ELLs. The rows indicate the total counts of students identified in Synergy for that particular demographic group.

Important things to note:

- The Report only tracks students enrolled with the SAU on May 15th 2021. If they exit the district prior to this date, they will not be on the report.
- The total demographic counts on the certification page only include your District Full Academic Year students. Full Academic Year means that they were enrolled with your district continuously from October 1st to May 15th.
- Only the Superintendent will be able to click the 'Certify and Submit to DOE' button.
